# FACULTY

Supporting the corridors of knowledge and guiding the youth of the land, our teachers mold the present students into future leaders.

# School

The Dormont School Board is composed of individuals who are elected to their positions by local citizens. The School Board fulfills such duties as establishing curriculums, approving the hiring of professional employees, and helping to set up a budget and property maintenance. C. H. Schneider heads the School Board as president, and other officers are Clyde H. Courtwright, vice-president; H. T. Heilman, secretary; and George S. Hards treasurer. The Dormont School Board works hard to keep the local schools at a top level of efficiency.

#### Superintendent

The hard working and very capable superintendent of the Dormont Public Schools is Mr. Jay Neff. Some of Mr. Neff's most important duties are working closely with the School Board and keeping Dormont High at its highest level of academic and moral standing. Mr. Neff is well acquainted with the problems and special needs of D.H.S., and he works hard to keep the school producing its very best.

When it comes to providing the best possible education for its students, Dormont High is indeed fortunate to have Mr. Jay Neff as its superintendent.

MISS MAHAFFEY
AND
MRS. CHRISLER

MR. JAY NEFF

#### Office

Miss Mahaffey, Mr. Neff's secretary, has many duties. As school board secretary, she handles correspondence, keeps school board files, and handles district secretarial work. When Mr. Neff is busy, she fills in as the administrative assistant.

Mrs. Chrisler, our competent bookkeeper finds her job quite varied. Beside keeping track of financial records, taking care of the faculty payroll, and purchasing school supplies, she gives administrative assistance and aids the school board.

#### Principal

The principal of Dormont High School for the past three years has been Mr. Michael A. Babyak. Prior to this administrative office, he was an Algebra and Biology teacher. His conscientious work has made Dormont the high standing and smooth operating school that it is. It is apparent that without his expert guidance and support, Dormont High School would surely be lacking.

MR. MICHAEL A. BABYAK

MR. WILLIAM W. SPENCE

#### Vice-Principal

Mr. William W. Spence, vice-principal of Dormont High School, occupies himself with various tasks, from the making out tardy slips to the running of various school campaigns. He has shown a sincere interest in the D. H. S. student body and thus has made an able student council adviser, and promoted better understanding between the faculty and the student body.

#### Personnel

Mrs. Brobeck and Miss Mills, our energetic secretaries, find their day quite active. Every day they make the absentee checks. They also keep the state attendance books and write the permanent record cards for each student. Among their other daily duties are watching the switchboard and handling Mr. Babyak's correspondence. With the beginning of the second semester, schedule cards, honor rolls, and student transcripts become added responsibilities for the office staff.

#### Guidance And Medical Staff

MRS, REESE and DR. ROGERS

Mrs. Enlow and Mr. Zafferopoulus, our Guidance Staff, study the emotional problems of the students, help them in planning their careers, make them familiar with outside opportunities and administer special tests. This year for the first time a new system of scheduling was incorporated for closer student teacher, and administrative relations. This staff is vital to the future of Dormont High students.

The nurse and doctor are an important part of the high school staff. Mrs. Reese is in charge of absentee check and sick call. Dr. Rogers makes consultations with other doctors and takes care of physical examinations that are not done by the family doctor. They are not only concerned with the physical aspect of a person's health, but with his mental and emotional adjustment as well.

D. H. S. students seek guidance.

First Row: Mrs. Rose Hurbanek, Mrs. Margie Thorn, Mrs. Betty DiMond, Mrs. Margaret Kelly Second Row: Mrs. Mary Leo, Mrs. Olga Sherboker, Mrs. Betty Ball

#### Cafeteria

The cafeteria staff plans and prepares hot lunches five days a week. Under the direction of Mrs. Rose Hurbanek, the staff makes sure that the cafeteria is spotless. In addition to their regular school duties, the staff also assists on special occasions, such as the Freshmen Tea. The cafeteria staff is truly an indispensible asset to our school.

First Lunch!

#### Maintenance

Vince Baldi, George Pascavage, Dave Brazell, Harry Athinson.

The maintenance staff is a valuable part of D. H. S. It keeps the school in tip-top condition by repairing, waxing, polishing, and keeping the school clean.

Under Mr. Gray's able supervision, necessary classroom and building supplies are obtained. In addition to this service, Mr. Gray supervises the other duties of the janitorial staff, making Dormont a more pleasant school to attend.

### "Out of the Frying Pan"

Presented by the class of '64, "Out of the Frying Pan" was presented on the nights of November 21 and 22. Written by Francis Swann, the play is a comedy in three acts. This modern drama takes place in the living room of a brownstone front apartment in New York City. The comedy centers around six young actors and actresses who are striving for success in the theatrical world. They share the apartment of Dottie Coburn whose father sends her money to defray her own expenses in New York. However, Mr. Coburn is unaware that Dottie's payments are divided into six parts. Trouble comes when Mr. Coburn unexpectedly pays a visit to Dottie.

Arthur Kenny, the famous producer, lives in the apartment just below the young Thespians, and their efforts to gain recognition from Mr. Kenny lead to some hilarious situations.

Under the capable direction of Miss Marcha Howard, the cast presented two fine performances. "Out of the Frying Pan" combined successfully comedy, a touch of realism, and outstanding acting in an unforgettable production.

"We'll get this maniac out of here!"

## **Exchange Students**

Dear Torch Readers.

As the school year draws to a close and I will have to leave Dormont, it is a great pleasure and honor for me, through the Torch, to express my thanks to you, the faculty and students of D. H. S. for the wonderful year you have given me.

I remember the first few weeks at Dormont as rather confusing, fighting my way in a strange school among strange people. I felt more like a baby than a high school senior. Everything I did, I did for the first time. Baseball, basketball, football, wrestling as well as marshmallows, barbecues, and potato chips were new for me. I did not even know that there were such things as cheerleaders and pep rallies.

The activities of D. H. S. can be compared to the sound of a big orchestra. Scholastic work, athletic events, assemblies, Varieties and Class Play are all important to the

Toril enjoys our library resources.

harmony of the orchestra, but clearest and loudest I hear the sound of people. You make the school and to you I owe this unique experience. Your patience, helpfulness and always friendly smiles in classrooms, halls and cafeteria made me feel at home from the beginning.

My life is richer now than it was a year ago, and yours because you showed much and gave much to me. You have not only opened your hearts and homes for me but also kept a door open for better understanding between the nations.

Love, Toril

Dear Torch Readers,

The purpose of my year abroad is to exchange knowledge and experience by living with a family and learning at first hand the intimate life and thoughts of another country. Being in the American Field Service program has meant not only the fun of traveling to a foreign country, making new friends, and seeing exciting and beautiful sights, but also work! The adjustments I've had to make involved a new and strange way of life and a new language, or often two "languages", the German spoken in the school and the German spoken in the villages.

My problems gradually worked themselves out and I can now say that I am "Germanized". I look like a German, I talk like a German, and I act like a German. My transformation has been so complete that an American once asked to see my I. D. card in order to believe that

I was really one of his fellow citizens.

When I left for Germany, I took with me 60 pounds of baggage plus a little bit of Dormont. In this past year I have made a trade. As I step off of the plane in America, I will once again carry 60 pounds of baggage, but now I will also bring back with me a little bit of Germany.

Love, Jean

Bruce McClellan inducts Diane Tomlinson into National Honor Society.

The words "National Honor Society" have taken on a special meaning this year at D.H.S. No longer is this group of students merely an honorary organization. Throughout the year it has become an active club and has brought increased scholastic recognition to the school. It has introduced the academic and citizenship honor rolls, the N. H. S. dress-up day, the admission of sophomores into the society, and the mid-year induction ceremony. Through the lighting of symbolic candles at this formal installation, the society emphasized the four qualifications of membership in the organization: character, scholarship, leadership, and service. These four characteristics were fully demonstrated and personified by the active members of this year's growing National Honor Society.

Mike McManus relates the meaning of Leadership.

Couples enjoy dancing to the music of Harold Betters.

## Ice Palace

Weeks of preparation and decoration were climaxed by the Senior Promenade. The gymnasium shimmered in blue, white, and silver with a towering frosted "Ice Palace". With music by Harold Betters and his combo, the seniors danced until midnight, and then proceeded to the Church Hill Valley Country Club. A buffet dinner was followed by dancing and entertainment. At five o'clock a hypnotist awakened dosing seniors. His demonstration of the powers of the mind was the high point of the evening's entertainment. During the night, the dancing was stopped for the coronation of the king and queen, Mike Matvey and Sue Holland. The evening festivities were ended with breakfast at dawn and the long trip back to D. H. S. As the sun rose over Dormont the Prom ended, only to become another memory of D. H. S.

# The Graduating

To the traditional "Pomp and Circumstance", the graduates of the Class of 1964 marched onto the field of the Dormont Memorial Stadium at seven-thirty on the night of June eighth. The invocation was followed by the address of the Valedictorian, John Mazur. His message, "The Unique Generation", stressed the individuality of our generation. Following John's address Christine Larson, the Salutatorian, gave her speech. Christine's speech, "The Torch Is Passed" also stressed the threefold ideals of graduating seniors.

## Class of 1964

The guest speaker, Dr. John H. Dawson, president of Adrian College in Adrian, Michigan, was the first Dormont High School graduate to return as speaker at Dormont's commencement. The topic of his speech, "What Will You Do With It", proved to be an inspiring message to the graduates about to embark upon the road of life. Recognition of special achievements of the students was followed by the presentation of diplomas to the graduates. The recessional ended the very colorful graduation, the largest in the history of Dormont High School.

### Football

Our football team finished the year with a record of two wins and seven losses. Although the Bulldog's record wasn't the best in recent years, they played an entertaining brand of football against some exceptionally rough teams including Montour, the class A champions.

A home game began the season with a 25-12 defeat at the hands of South Hills, but the Bulldogs rallied for their next game to beat Stowe, 6-0.

The highlight of the season was the final game against Crafton, played at home on Senior Recognition Night. An excited crowd watched the Bulldogs crush Crafton, 37-13, in the most smashing victory that D.H.S. has seen in years. It was during this game that left-halfback Dave Hast set a record of 163 yards for rushing.

The Bulldogs were plagued by injuries to many key players this season, including Captain Charles Olivetti who was disabled for three games but was able to play in the final game.

Although Dormont will be minus many of this year's varsity players from next season's starting lineup, Coach Kling has a nucleus of six returning lettermen around which he hopes to build a winning team.

The Senior lettermen are recognized in the individual snapshots. The Senior football managers were R. McAllister, and D. Woods; Senior lettermen injured in pre-season play or early games were W. Cook, R. McGregor, and R. McMillan.

### Rifle

Rifle is the only sports activity in which girls may participate on the same level with boys. Soon after football season, many hopeful students try out for the team. Under the competent coaching of Paul DeLo, they are trained in marksmanship, gunhandling, and sportsmanship. During the weekly practices, a record is kept of the scores. This determines the ten best marksmen for varsity competition. The top five scores from these ten are added to make a team score.

This year D.H.S.'s Rifle Team finished a disappointing season with a record of 0-8. Coach DeLo is hoping for a better season next year. Although there will be only one returning letterman, he plans to build a better squad.

Coach DeLo lines up the target.

Under the able leadership of Coach Philip Rice and Captain Tom Zange, the basketball team ended their season with 11 wins and 11 defeats. Their record in league play was 8-6. The hoopsters expected a better season having height on their side; but, they played some exceptionally rough teams in W.P.I.A.L. Section 4 competition.

The Bulldogs won their first league game by defeating Waynesburg. The rest of the season was characterized by spurts of winning and losing. As D.H.S. prepared for the big game against Mt. Lebanon, Hush Day came to a close with a rousing pep rally. That night, however, the Blue Devils defeated Dormont to continue their unbeaten streak. After three successive victories over Burgettstown, Trinity, and Chartiers Valley, the Bulldogs again faced their arch rival, Mt. Lebanon. In a very close and exciting game, the Blue Devils walked away with another win. However, through the valuable experience gained this year, Coach Rice's returning lettermen are hoping for a winning season.

In the individual snapshots, the Senior lettermen are recognized. Senior letterman manager was Wm. Shilling.

### Tennis

Hard practice after school and experience of past years has helped Dormont's tennis team mark up a fine record this year. They completed the season with a record of five wins, three losses, and one tie game. They won one game from West Mifflin North and recorded two double victorys over Crafton and Fort Cherry. The team suffered losses at the hands of Bethel and Carnegie while playing to a tie with California High. With the experience obtained this year, the underclass members of the team are hoping to improve their record next year.

### Wrestling

At the opening of this year's mat schedule, Dormont did not live up to the fans' expectations. The wrestlers improved as the season progressed, however, and ended with a record of 8 wins and 6 losses.

A resounding victory over North Allegheny ended the season with a score of 34 to 28. This last match was Senior Recognition Night for the varsity wrestlers. Our senior matmen went out with a blaze of glory as Dave Gaefke, Rich Riley, and Chuck Hoffman pinned their opponents. Bob Grier, Chas Olivetti, Rick Martin, and Bruce Bridenbaker also won their matches.

Sectional finals were held at Mt. Lebanon in February and March. Two of our wrestlers, Chas Olivetti and Rick Martin, were semi-finalists. Martin went on to Pitt Field House in the regionals. Unfortunately, Rick lost to Birringer of Canon-MacMillan in the finals, 4-3.

Coach Thomas Lindenmuth will lose 8 of his varsity wrestlers upon graduation, including the pride of D.H.S., Rick Martin. He will retain 5 matmen, including Bruce Tisdale for whom he has high hopes.

The Senior lettermen are recognized in the individual snapshots.

### Frosh

The freshmen football team, under the leadership of Coach Fred Loeffler, ended a disappointing season with a 7-6 loss to West Allegheny. The final record for the team was 1 win and 4 losses. Many of the games this year were marked by fast action and sparse scoring. Although the team suffered four losses, the knowledge which they gained in playing some exceptional teams will be put to use in the future. From this freshmen team, D.H.S. will try to build a successful Junior Varsity team next year.

The freshmen basketball team finished the season with a record of six wins and thirteen defeats. Under the direction of their coach, Mr. Lanks, the boys defeated Crafton, Shannon, Snowden, Mellon, Clairton, and Edison. Rick Lammert lead the freshmen in scoring 181 points; 19 of these points were scored in one game. Steve Pasky was second among the frosh scorers with 110 points, getting 16 in one game. Although the Little Bulldogs did not do too well this year, they gained the experience which they will need for a successful Junior Varsity team next year.

R. Lammert scores two for D.H.S.

Graff hands off to Northey.

Bryant attempts to better his mark.

### Track

### and Field

Team spirit ran high this year under the leadership of Coach Loeffler and Coach Lanks. The track team practiced daily but, unfortunately, bad weather postponed practice sessions and a few of the scheduled meets. This accounted for an average season when it could have been a winning year.

Dormont's field events were the strongest with a particularly good record in the javelin throw and the high jump. In the track events, the 100 yard and 220 yard dashes were monopolized by Dormont's trackmen. The 880 yard relay, consisting of Bruce Bryant, Dave Hast, Les Graff, and Scott Northey, the anchorman, was always a winning event. This year's hurdlers were all underclassmen. In this event, Dave Crawford, a sophomore, brought home some particularly fast times. Through such events, valuable experience was gained by the underclassmen which should lead to a better record next year.

Bridenbaker strains for a few extra feet.

### Student

The annual magazine campaign and Good Will bags were only a few of the worthwhile projects undertaken by the Student Council this year. The Council is an organization which represents the student body in school affairs and acts as mediator between faculty and students. Under the direction of Mr. William Spence, the Council successfully promoted school spirit. One new and very successful project which the Council undertook this year was a club charter contest. This project was one in which many students were given the opportunity to demonstrate their artistic ability in creating an original charter and entering it in the contest. These are only a few of the many activities which the Student Council tackles each year.

F. T. A. is one of the clubs at Dormont High School which looks to the future. As Future Teachers of America, the members have the opportunity to hear speakers, visit colleges, and attend workshops and conventions. This year F.T.A. had a new experience. While the teachers were having pictures taken some of the senior members of the club took the teachers place in the classroom. Through these activities F. T. A. offered a glimpse of what the teaching profession is like.

### Torch

Sponsored by Mr. Gus Diomataris, the Editorial staff organizes and assembles the events and activities of the year, to produce a yearbook rich in memories for seniors and underclassmen alike.

The yearbook relies considerably on the Busi-

ness staff, under the direction of Mrs. Beryl Schriner. Selling advertisements, encouraging yearbook sales, and planning the budget are the principle functions of this staff.

### T.O.E.S.

There is not a harder working club at Dormont High School than The Oral Expression Society. This is evident in the fact that the club has won their charter membership in the National Forensic League this year. To obtain this charter a club must have 1,000 points a year. This year T. O. E. S. has been able to obtain 1,200 points. The charter will be presented to the club in September of 1964.

The members can participate in such fields as extemporaneous speaking, original oratory, oratorical declamation, dramatic and humorous interpretation, and debate. The T.O.E.S. held an eight straight victory streak out of twelve speaking contests.

Members of T.O.E.S. prepare for an upcoming debate.

The P.A. Club is one of Dormont High School's service clubs. Under the supervision of Mr. Ian Smith, the members are responsible for the operation of the public address system at all activities held in the high school gymnasium. The Public Address Club plays an integral part in our school and its members' services are greatly appreciated.

### Red Cross Club

The D.H.S. Red Cross Club has a specific purpose--"to serve others". The club is very active under the direction of its present officers. The club sponsors many worthwhile activities such as filling Christmas stockings, making tray favors, and disaster kits. The club is under the leadership of Mrs. Dau and Mrs. Shull and it has greatly increased in membership since it was started at D.H.S.

An industrious Library Club member is always ready to submit assistance to students.

The Library Club was organized to assist students. Under the direction of Mrs. Marjorie Lauder, the club meets monthly to discuss any difficulties dealing with the library.

Any girl who is interested in the functions of the library may join the organization. The girls, as part of their duties, stamp out books and keep the shelves in order. This club is a great aid to our efficiently functioning library.

### Science

Science has been called to key to the future, and surely the members of this year's Science Club possess that key. Sponsored by Mr. Noel Lucas and Mr. Ian Smith, the club, through numerous experiments and lectures by guest speakers, studies the various fields of science. Under the leadership of Michael McManus, President, Bill Matson, Vice President, and Patricia DeMarco, Secretary-Treasurer, the members gain a broad knowledge of all the sciences.

Science Club members anxiously await the nomination of new officers.

The Projection Club provides a valuable and necessary service for the students and faculty of Dormont High School. Under the direction of Mr. Spence, the members learn how to operate classroom equipment, such as tape recorders and film and slide projectors. Their work makes it possible for students and teachers to enjoy and profit from many fine tapes, slides and films.

## Astronomy

The Astronomy Club, under the sponsorship of Mr. Charles Lanks, provides an opportunity for D.H.S. students to learn more about the universe and new developments in space travel.

Their activities include observance, lectures by eminent scientists, and field trips to observatories. This year, the club helped to sponsor a bowling party in order to encourage students to join.

With the growing emphasis being placed on science and space, the Astronomy Club enables its members to keep pace in a scientific age.

Another service rendered

Many invaluable services at D.H.S. are rendered by the Ushers' Club. Under the sponsorship of Mr. Ian Smith the club provides members, who sell and punch tickets at all school athletic events and usher for the annual school dances. Their courteousness and helpfulness at all the activities is an asset to our school.

### F.H.A.

The Future Homemakers of America was only introduced to D.H.S. last year and this club belongs to the State and National F.H.A. The club has been striving for the red chapter. During the year the F.H.A. has taken on various projects. The main project was entitled "Improve Yourself." Their theme was service to others. They gave parties for the children of the faculty and for the Ward Home in Mount Lebanon. This club should prove to be very successful in years to come.

Trick or Treat?

A relatively new club in D.H.S. is the three-year-old Chess Club. This year the club was under the leadership of Mr. Theodore Sturm, club sponsor, Judy Hoffman, president, Pat Johnson, vice president, and Moira Reilly, secretary.

The purpose of the Chess Club is to enhance the members' knowledge of chess and to provide an opportunity for practice. To this end the club members had tournament play among themselves as well as with chess club members of other schools.

Dues paid by club members were used for buying additional chess sets and books relating to the more technical aspects of the chess game. Girls' Intramurals is a relatively new activity in our school and has shown great promise this year. Under the leadership of Mrs. Siford, interested girls have met after school to participate in various sports. One example is the basketball tournament held at the beginning of the year. Approximately six teams competed for first place and prizes. There has been much enthusiasm for this activity and it has done much to promote active interest in sports and keen competition among the girls of Dormont High School.

### French

French Club is a new activity at Dormont High School this year. Under the sponsorship of Mr. White, the club meets monthly to learn more about French customs and culture and to sing French songs. By joining the club, the members have the opportunity to obtain the names and addresses of pen pals in France. The members not only enjoy themselves, but also profit from practicing the language.

### Tap Chorus

The 16 members of Tap Chorus are chosen in December on the basis of their tapping skill and personality. Under the leadership of Sue McGeary and Peggy Harding, the girls have worked hard in becoming a talented group. Their performance in Varieties is always a huge success, much to the delight of the girls.

## Modern

The girls in Modern Dance work hard during the year to put on a performance for Varieties. They are chosen in December on the basis of their poise, personality, and grace. Vivian Winkowski, head choreographer, Linda Ventolo, and Sue Cobun are the leaders of the group. These three train the girls in presenting a talented act for Varieties.

### G.A.C.

Many girls enjoy Playday at Dormont.

One of the most popular clubs at D.H.S. is the Girls' Athletic Club, During the months of September, October, March, April, and May, the girls meet to participate in various sports. Members can compete for points which enable them to earn certificates, letters, and pins. In addition to its regular meetings, the G.A.C helps to sponsor the Twirp Twirl, an annual girlask-boy dance in November. The club also holds a Playday for girls from other schools and participates in Varieties.

### Cheerleaders and Pep Clubs

Dormont's athletic activities meet with enthusiastic support from the student body through Cheerleaders Club and Pep Club. Cheerleaders Club offers girls, freshmen through seniors, an opportunity to learn school cheers and songs. The girls practice with the cheerleading squads all year in preparation for Varsity and Junior Varsity try-outs which are held in May and April. At this time the clubs' faculty sponsors and members choose the cheerleaders for the following year.

Pep Club, not for girls only, is the other sports supporting organization in Dormont High School. Members of this club sponsor such projects as selling pom-poms and pins and organizing flash card sections for football games. These two organizations are largely responsible for the vast following and enthusiastic school spirit which follow Dormont High School's teams through the year.

### A Cappella Choir

All together now, 1, 2, 3.

A Capella Choir is one of the largest organizations in Dormont High School and enthusiasm runs quite high in this club. Keen competition is held every spring to choose choir members for the next year. Singing ability, love of music and desire are major requisites for choir aspirants. Some of the many activities in which the choir participates are Musicale, Christmas Concert and Baccalaureate. In the past, A Capella Choir has also sung in Varieties. Each year, certain chosen members participate in district choruses where they meet with members of various other high schools. A banquet is held for members at the end of each year.

### Glee Club

The Glee Club is composed of both boys and girls who enjoy singing. Under the direction of Miss Rebecca Johnston, the club joins the A Cappella Choir and the Concert Band in the presentation of the Christmas program and the annual Musicale held in March. Glee Club meets two or three times a week for several months in order to prepare for these programs.

### Girls' and Boys' Ensembles

"Practice makes perfect," as the saying goes, for this well-known popular group at D. H. S. known as the Girls' Ensemble. This talented group of eleven girls under the direction of Miss Rebecca Johnson, has often been requested to make various appearances throughout the community. For these performances they often team up with the Boys' Ensemble. They make up a minute part of the A Cappella Choir and Glee Club, who also perform at the annual Musicale, Varieties and Christmas shows. This ensemble, through their singing ability and musical talent, has been widely chosen to represent Dormont High School.

The Trombone Trio is a specialty group chosen from the band which appears in the annual Musicale and Christmas Program.

The Boys' Ensemble is the masculine equivalent to the Girls' Ensemble. It is comprised of twelve boys who show exceptional interest, not to mention talent in music. Besides their appearances at Varieties, Musicale, and Christmas Concert, they are often called upon to display their talents at outside engagements. Intensive practice and constant drilling under Miss Rebecca Johnston help to make this group an exceptional representative of D.H.S.

The Boys' Quartet, comprised of boys from the ensemble, is often in demand to appear for organizations throughout Dormont. Strict requirements for membership is but one more reason why these boys have good reason to be proud.

Under the experienced leadership of Mr. Mel I. Rush and student director, John Mazur, a variety of talented half-time shows have been accomplished by the band, majorettes, and color guards. The Dormont High School Varsity Marching Band has worked hard and long to perfect these for the enjoyment of everyone during their half-time performances. The majorettes, led by Sandi Fraelich, add highlights to these shows with their original numbers and routines. Accented in their maroon and grey uniforms the band's color guards are led by Sharon Hagan, perform unique drills and complex programs of originality. Nearing the end of the football season the versatile band assumes a new aspect and with it the new name of the Concert Band. Under this new title it performs for the enjoyment of everyone at the Musical, Varieties, Christmas Concert, and other such school activities.

# Stage

Of all the organizations in Dormont High School, the most indispensable is the Stage Crew. The Stage Crew is responsible for putting up the decorations and managing the lighting for all of the dances, Musicale, the Fashion Show, the Senior Class Play and all school assemblies. The most outstanding work which this organization does is in Varieties. Here the club's members not only handle scenery and lighting, but are also responsible for the many props which are required in the acts. The many successful school events this year prove this club's versatility and capability.

"A little dab 'll do ya."

# **Paint Crew**

Spanning the width of Dormont High School's gymnasium every spring is the Varieties scenery. This extensive work of art is the result of many weeks of hard work by the Paint Crew. The crew. under the direction of Mr. Reed the head of our art department, begins work on the scenery months before the performances. By the last week of May, the first sketches are completed. These drawings are then enlarged to the overwhelming size of the final product. Then comes the paint. Working for endless hours, the Paint Crew finishes the massive scenery, which plays so vital a role in the annual Varieties. After Varieties, the scenery remains for Play Day, Through its essential work in Varieties, the Paint Crew is undeniably one of the most vital organizations in Dormont High School.

### Varieties

The students of Dormont High School annually produce the Varieties. The Varieties' Committee meets in October for the first time to choose a theme. After choosing the main theme, the Paint Crew begins work on the scenery, and the participants in each act turn in their names along with

the names of the chairman at the end of January. By the end of February, various groups try-out, and by April the acts start practicing for that BIG DAY. This year D.H.S. presented its 36th Annual Varieties, entitled DISNEYDOODLES, and it was a big success.

#### Afterward

Depart from these halls of knowledge and follow the pathways to the road of life.

The journey through these corridors

has opened the doors to achievement.

The chain of success

has been partially completed

through learning and activities.

The links of this chain are held strongly;

but, the future will improve and enlarge the chain until the bonds of success are united in an eternal grasp.

Our Torch

has captured these events
and recorded them for all--

for all who leave these gates of knowledge.

Go forth,

the future awaits you.

Wayne Link

#### THANK YOU

We the editors wish to express our thanks to the many people who helped us during the year with this publication...Mrs. Schriner and Mr. Diomataris, our advisors; Walsworth Publishing Company; our representative, Mr. Magirl; Mr. Adams and student photographers; our editoral and business staffs; and the countless number of faculty and students who so willingly assisted us in producing this book.
